Standard Payment Policy:
Co-pays for office visits are due at the time services are rendered. For your convenience, we accept Mastercard, Visa, American Express, checks, and cash. For Medicare patients, our office accepts assignment and files claims with Medicare. Medicare patients are responsible for any coinsurance and deductible amounts. Medicare patients must present their Medicare card at the time of registration. We do file secondary insurance for Medicare patients. If you are an HMP/PPO (manage care) patient of a plan in which we participate, our office has agreed to accept the plan's fee schedule and file the claim with your insurance company. HMO/PPO patients are responsible for co-pays and deductibles at the time of service. HMO/PPO patients must present their insurance card at the time of registration. HMO/PPO patients are responsible for obtaining a referral number from your primary care physician.

Payment Policy:
We file insurance and/or medicare claims for all patients. We inform you of estimated deductibles and co-insurance amounts for exams. You will be billed for any balance due that is remaining once insurance has paid its portion.

All medical insurance benefits are paid directly to Willamette Valley Endocrinology. You are financially responsible for all the charges whether or not paid by insurance. This form authorizes Willamette Valley Endocrinology to release all information necessary to secure the payment of benefits.

Insurance Claims:
We make every effort to seek insurance reimbursement on covered services. Filing insurance is a service we provide to you; however, insurance is a contract between you and your carrier. Once your insurance company has paid, you will receive a bill for any remaining balance on the account.

Collection Efforts:
We work with you to make payment arrangements. If these efforts do not result in a resolution of the account, the account may be referred to a collection agency and the local credit bureau. Any collection fees incurred by our office are charged to your account.

Returned Checks:
A service fee of $20.00 is charged on all returned checks. You will be afforded the opportunity to remit the total of the check plus the $20.00 fee in the form of cash, cashier's check, or money order on a timely basis.

Missed or Cancelled Appointments:
If you do not appear for your appointment or cancel your appointment in less than 72 hours in advance, you could be charged a $75.00 "no-show" fee. We do take into consideration emergencies for our patients.
